## FATHER'S DAY EXTRAVAGANZA

Our first Father's Day market was a lively mix of delightful items! A big thank you to all the vendors and merchants who participated in the event. You all did an amazing job!

The market offered a variety of crafts and tasty homemade goodies, ensuring there was something for everyone.

## MERCHANT MEETINGS

Merchant meetings offer a great opportunity for merchants to engage in the downtown community, share their opinions, and influence the direction of future events. This valuable resource is available to all business and property owners downtown at no cost.
